A REPUBLIC CAPITAL ACCESS NEWSLETTER

NATO creates \$1.1B investment fund to target tech startups

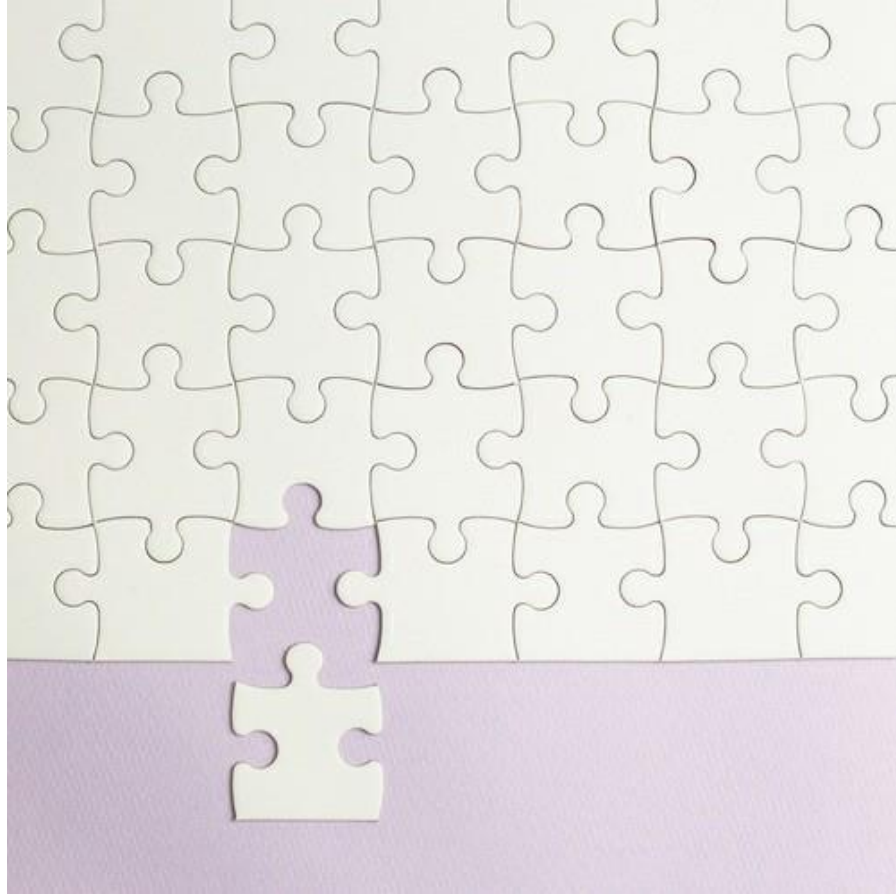

The intergovernmental military alliance that connects Europe and North America also wants a big net to find and work with innovative companies, following a model already in use by the U.S. government. It's not just appearances: everyone...

FEATURED RESOURCE

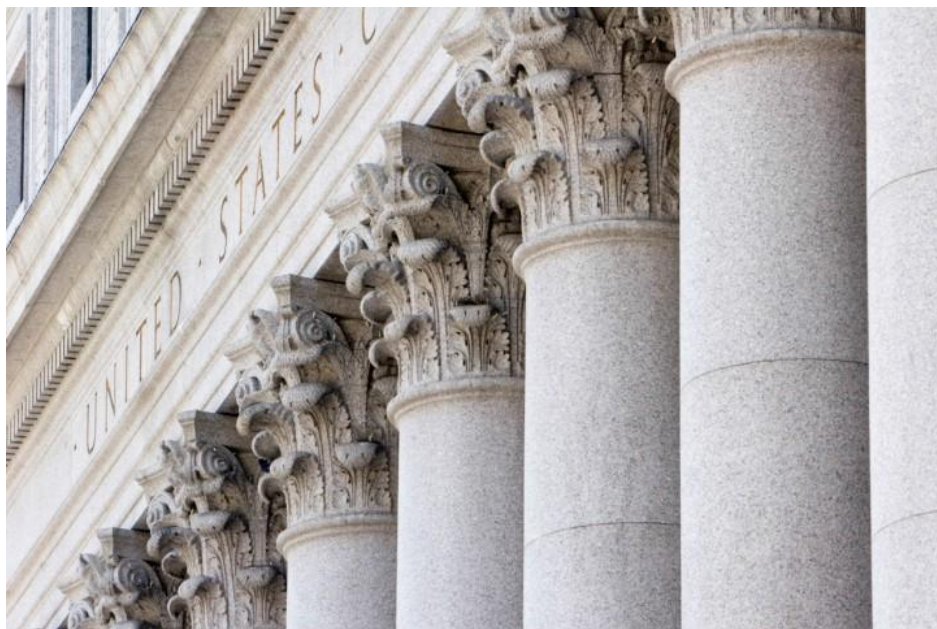

The National Veteran Small Business Coalition (NVSBC) is a nationally recognized non-profit organization that provides training, networking, and advocacy for veteran small business entrepreneurs in the federal market to ensure they are procurement ready and have enhanced access to opportunities to start, operate, sustain, and grow competitive and strong businesses serving federal agencies and other government contractors.

FEATURED CUSTOMER

Republic's customer, a veteran-owned small business, is a leader in threat emulation and war gaming solutions. They combine the use of cutting edge technology, with deep subject matter expertise, to create a host of virtual, simulated and live training solutions. It is not a stretch to say they are literally protecting those who protect us.

"There is no limit to what a man can do or where he can go if he doesn't mind
who gets the credit."

— Plaque on President Reagan's desk
